

# OLD MISSION

Loving God. Loving people.

**Jennifer** - I have worked in the OM nursery since 2013 and have been the Nursery Coordinator since January 2018. I am also a preschool teacher during the week at Red Bridge UMC and help teach music there as well. I am blessed to have a wonderful group of people who love to serve the children at Old Mission.

**Brennan** - I have worked in childcare and in the Old Mission nursery for 7 years. I really enjoy taking care of young children and seeing them explore their surroundings.

**Sarah** - I am pleased you are letting us care for your child/children while at OMUMC. I have over 15 years of experience here and enjoy seeing all of the children exploring and learning.

**Kathy** - I enjoy working with this wonderful staff! I was a nurse and caregiver for children for many years. I enjoy meeting all the cute children here and relate their development with the raising of my four grandchildren.

**Kate** - I have always enjoyed working with little kids, whether it be volunteering during VBS or working in the nursery. I also do some babysitting whenever my busy schedule allows. I am a student at Shawnee Mission East and am involved in the theater and play lacrosse.
